NO. 15 F 153

Kevin R. Kramer,
Petitioner,

vs.

Julia C. Eickmeier,
Respondent.

AFFIDAVIT

I, Beverly Schneider, hereby swear and affirm under oath as follows:

1. My name is Beverly Schneider, married to Lloyd Schneider I live in Princeton, Illinois with my husband, and work there as a business owner. We own L.W. Scheider's, a factory that supplies gun parts to the U.S. military, and employ over four hundred-sixty (460) people. I have raised eight adult children and have forty-seven (47) grandchildren.
2. I have known Madeline Kramer (herein the "Child") for approximately the last two (2) years of her life.
3. I frequently spend one-on-one time with the child, and see her quite often. I have a relationship of trust with the child, and have a lot of one-on-one time together with her.
4. The child and I have become close over the last two years of her life and she refers to me as "Grandma Beverly."
5. I have personally witnessed the Child humping stuffed animals, masturbating excessively and adult like, touching her crotch saying that her daddy touches her like that, and touching a doll's crotch in a sexual manner while explaining that her daddy touched her like that.
6. I have spent time with the child after being with her father for visitation and see the child return with speech delays as she has a new-formed stutter, developmental delays, strange sexual behaviors, and disorientation.
7. In all of my years taking care of children I have never seen a child behave in this manner, and have only witnessed

children sixteen (11) or seventeen (12) years old display the same sexual behavior exhibited by the child.

8. On one occasion, without Julia present, I was caring for the child and she disclosed that she wanted to go to her daddy's for her pee pee.

9. On July 11, 2016 I picked up the Child from Julia's care for the purpose of spending time with her. I placed the child in a child seat, in the back seat of my vehicle, and I drove the vehicle from Julia's residence. Julia was no longer present at this time.

10. While in the vehicle the Child made the following statements:

A. "Grandma Beverly, I want to go play with daddy's snake."

B. "He puts it in my mouth."

11. The child has been talking to me for some time about daddy's snake.

12. Julia told me she asked if there was a toy snake at Kevin's house and Kevin denied there being any toy snakes at his or his parent's house for the child.

13. When I inquired further, she indicated that she goes "aack" and made a gagging sound. I asked if it hurt her mouth and she said "yes, aack."

14. I asked her if she told daddy that it hurt her mouth, and she said yes.

15. I asked her where else Daddy keeps his snake and the Child responded "under my dress."

16. I have seen the child return from visitation with cold sores on her mouth.

17. I think it is important for the child to engage in one-on-one therapy to ensure the child is safe, and that she should not be denied the opportunity to take advantage of professional help.

FURTHER AFFIANT SAYETH NAUGHT.
